

2006 

**SYLVAN**

**MERCURY**  
#1 On The Water

You'll be quickly out of the hole and on plane with our exclusive gull wing hull design.

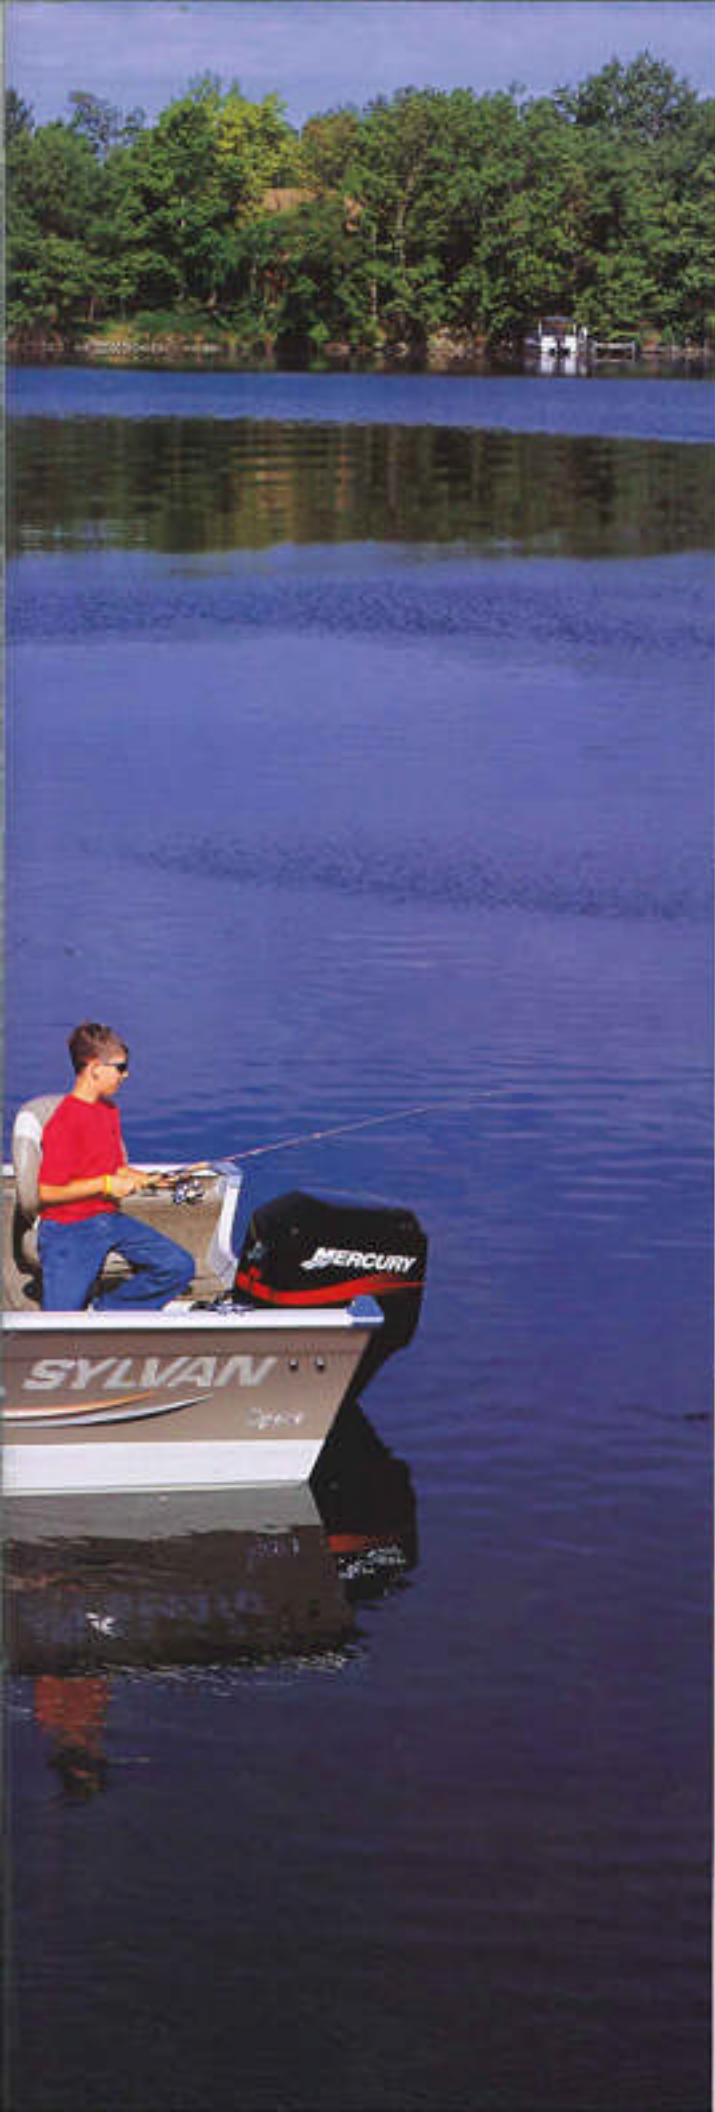

With features like snap-in carpet and comfortable fold-down seats, you can easily convert from fishing to family fun.

You're serious about fishing — so we're serious about giving you larger casting decks and roomier cockpits.

## Put time on your side.

There's an advantage to being around as long as we've been. You get a better perspective. You learn from the mistakes of others. And you find out just what it takes to be the best. At Sylvan, we've spent more than 50 years developing new ways to get serious anglers excited about their fishing boats. Our exclusive gull wing hull is designed for exhilarating performance, while our unique raked-back bow provides spacious casting platforms. Plus, Sylvan boats are some of the most versatile you'll find anywhere, with family-friendly packages that combine the very best fishing and watersport features. And most importantly, you can trust your investment to a company that's proven it's here to stay. A little bit older. A whole lot wiser. Sylvan Marine.

**It all comes down to two things.**

**Quality and safety.**

As you take a closer look at this year's lineup, you'll see that countless details combine to make Sylvan boats the safest and most reliable you'll find anywhere. This year, our full-featured boats are fitted with all chrome castings and heavy-duty pull-up or flip-up cleats. You'll also find larger decks and deeper freeboards on many models — to keep your family safer in bigger water or rougher conditions.

## Who says a serious fishing boat can't be attractive?

It's true that a morning of great fishing can make a mess out of any boat. But you can be sure that your Sylvan cleans up to be one of the sharpest boats on the water. This year, we've refined our seats to be among the most comfortable you'll find anywhere, with full plastic cores for superior durability. Plus, you'll notice that when it comes to color, everything matches — from the paint, to the upholstery, to the new powder coated seat bases. After all, when you get a new boat, it ought to turn a few heads.

## It's what's inside that matters most.

We'd like to encourage you to take a closer look at the superior design, construction and features of a Sylvan fishing boat. You'll find that strength and integrity are engineered layer by layer, giving you one of the safest, most dependable boats on the water today. It's all about taking pride in our level of quality — so you can, too. After all, this is your investment.

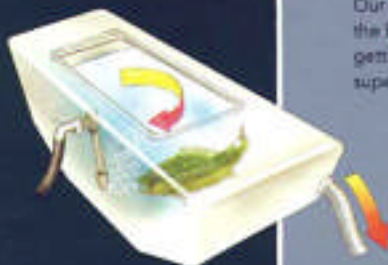

### WARRANTY

Sylvan warrants each new aluminum hull for a period of ten (10) years, lifetime warranty on all riveted seams, and each new fiberglass hull for a period of five (5) years, from the date of purchase by the original purchaser (based on years of use under normal recommended operating conditions) as described in the warranty folder. A copy of the Sylvan Limited Warranty is attached to each new Sylvan boat, or may be obtained from any dealer or the Sylvan factory.

### FLOW RITE LIVEWELL SYSTEM

This state-of-the-art livewell design helps ensure you get your catch home safely. To begin with, a fill pump draws in water, circulating it at the bottom of the tank, while an air hole in the top of the fill pipe allows air to mix with the water. In addition, a separate recirculating pump works in a continuous loop to keep aerated water moving in the livewell — even when you're refueling or drifting through stagnant waters. The livewell is easy to clean, thanks to a drain system that runs through the transom, not the floor.

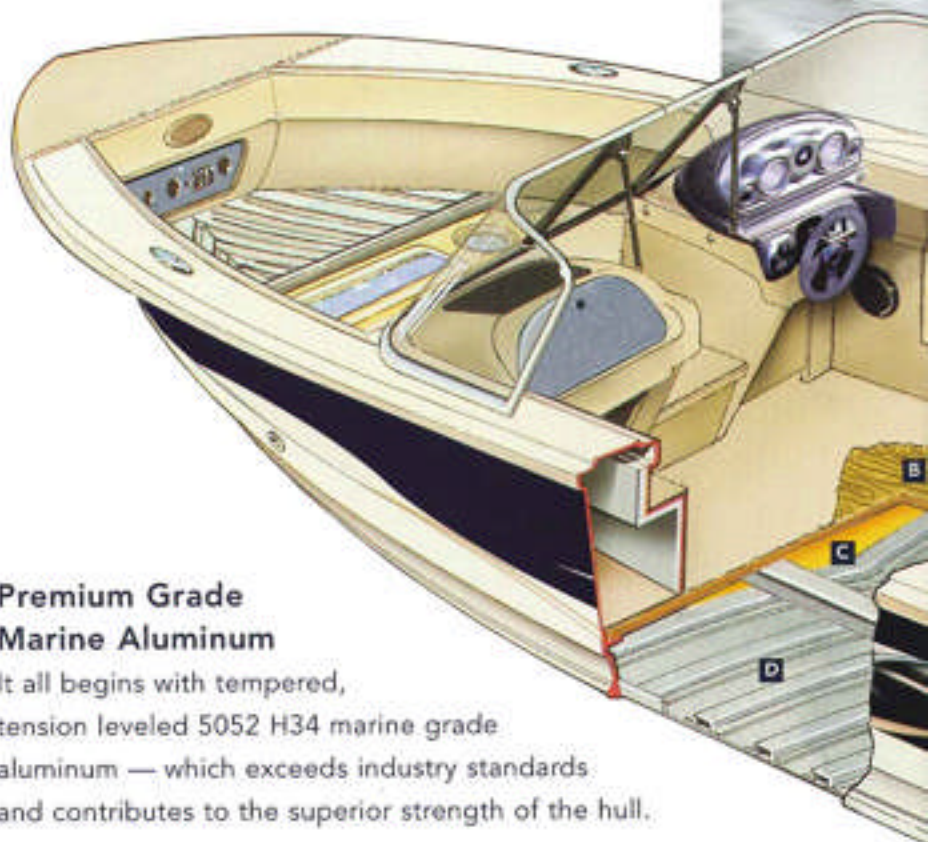

### A CARPET

Our premium grade, 100% UV stabilized marine carpet will last for years to come and is backed by a 5-year warranty.

### B XL PLYWOOD FLOORS

With a lifetime warranty, you can count on the specially treated floor to hold its strength and never warp or rot.

### Premium Grade Marine Aluminum

It all begins with tempered, tension leveled 5052 H34 marine grade aluminum — which exceeds industry standards and contributes to the superior strength of the hull.

### Raked Back Bow

Our exclusive design opens the shape of the bow and utilizes an integrated spray rail, for a smoother, drier ride. In addition, with a wider bow, you have room for larger casting platforms and increased bow seating. Structurally, the .125 gauge bottom and double riveted seams combine to give the bow its tremendous strength.

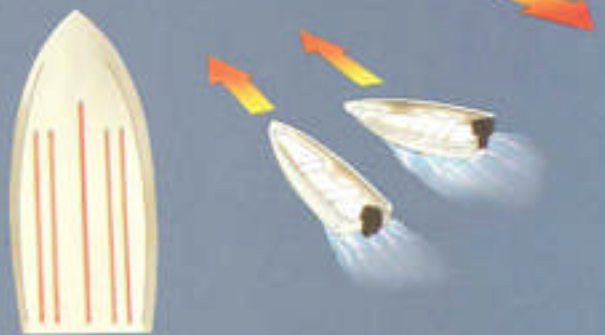

### TWICE BAKED URETHANE PAINT

Our in-house paint process begins with a special aluminum grade primer for superior bonding. We then bake two coats of urethane paint to the hull for a tough, durable finish and a showroom luster that will last for years.

### THE GULL WING HULL

Our exclusive hull design keeps the bow down as you accelerate, getting you on plane faster with superior control.

**C URETHANE FOAM**

When you walk on a Sylvan boat, you can feel the solid strength and support of the floor. That's because we fill every cavity with gasoline-resistant urethane foam to eliminate water pockets and give the boat more buoyancy and a quieter ride.

**D STRENGTH**

The hull design on many of our boats features a .125 gauge one-piece bottom with .125 gauge hand-fitted ribs on 10" centers, for superior lateral strength. Combine this with the longitudinal strength of five keels, and you get superior impact resistance and better lift, handling and bottom support.

**E 5-KEEL CONSTRUCTION**

Many of our boats feature five external keels, for the best stability and handling you'll find anywhere. The keels also offer greater protection from underwater objects, as well as from the wear and tear of launching and trailering your boat.

**Keeping foul weather outside, where it belongs.**

Thanks to our fisherman's top you can fish comfortably, even when it's raining out. In addition, our complete curtain packages help you get out earlier in the spring and stay out later in the fall — keeping you warm in cooler temperatures. The top comes with a boot for easy storage, and the bow and mooring covers protect your boat from water and debris.

FISHERMAN'S TOP WITH AFT AND SIDE CURTAINS AND BOW COVER

FISHERMAN'S TOP

MOORING COVER

AIRB RIB SYSTEM

THEIR: DOUBLE PLATED

**ADVANCED INTEGRATED RIB SYSTEM**

The choice is clear! Our exclusive Advanced Integrated Rib System utilizes hand-fitted, hat-shaped ribs for superior longitudinal strength and rigidity that simply outperforms our competitors' double-plated aluminum.

1900 Pro Sport DC

## Pro Sport 2006

Finally. A tournament boat your grandmother could love.

Introducing the all-new Pro Sport. This serious fishing craft is one boat everyone will fall in love with. For fishing, you'll love the large platforms, the large lighted livewells and the roomy lighted rod storage, both port and starboard. And when you've caught your limit, your family will be waiting at the dock for an afternoon of fun — simply flip-down the comfortable new rear convert-a-bench, and you're ready to go. You even have the option of a ski tow, which can be easily stowed in the in-floor storage.

PRO SPORT	LENGTH	BEAM	DEPTH	INTERIOR DEPTH	TRANSOM WIDTH	TRANSOM HEIGHT	DRY WEIGHT LBS.	MAXIMUM PERSONS	MAXIMUM CAP. LBS.	MAXIMUM H.P.	FUEL CAPACITY GAL.	BOTTOM GAUGE	ROSE GAUGE	PH GAUGE

**MERCURY**  
*#1 On The Water*

**DRIVER'S CONSOLE**

The impressive console is highlighted by large, easy-to-read gauges.

**PORT SIDE ROD STORAGE**

You'll have plenty of lighted rod storage for outings with the whole family.

**CONVERT-A-BOW**

The bow fishing platform easily folds up to give you a walk-in bow with seat cushions and built-in cup holders.

**SNAP-IN CARPET**

The Pro Sport gives you the best of both worlds, thanks to the easy-to-clean vinyl floor covering and the snap-in carpet with five-year warranty.

**REAR CONVERT-A-BENCH**

The new flip-down convert-a-bench is remarkably roomy and comfortable and greatly enhances the versatility of the floorplan.

For Pro Sport standards & options, please see pages 28 & 30.

1900 Adventurer DC

## Adventurer 2006

If you're devoted to fishing,  
the Adventurer is devoted to you.

You'll turn the heads of every serious angler in the 2006 Adventurer. Its list of features goes on and on: vinyl flooring with snap-in carpet, bow and stern livewells, six seat bases and, most importantly, more storage than you ever dreamed possible. Yes, this is one hard-core fishing boat.

ADVENTURER

1700 DC

**DRIVER'S CONSOLE**

Large gauges with attractive bezels distinguish this comfortable console.

**STERN LIVEWELL**  
*(1900 Adventurer)*

The 1900 Adventurer features this large, 30 gallon stern livewell that's lighted, aerated, recirculating and timed. You'll also have the convenience of a 30 gallon bow livewell and a baitwell with bucket.

**PORT SIDE STORAGE**

This open rod storage space has netting to hold life jackets and other equipment safely in place.

**FLOOR ROD STORAGE**

The large in-floor center rod storage offers unbeatable protection and gives you easy access to your gear.

**SNAP-IN CARPET**

Snap-in carpet adds value and versatility to your boat, allowing you to easily convert from serious fishing to cruising and family fun.

For Adventurer standards & options, please see pages 28 & 30.

1800 Avenger SC

## Avenger 2006

The boat with one reason for being:  
Fishing.

The awe-inspiring 1800 Avenger is truly one of the most versatile boats you'll find anywhere. On the dual console model you have your choice of either a walk-thru windshield or dual windscreens. You'll also get a whopping 50 gallon livewell and a huge bow platform — giving you a tournament-ready boat that'll stand by you for years to come.

1800 Expedition Sport DC

## Expedition Sport 2006

Because we hear there's more to life than fishing.

Fishing and family fun come together in the remarkable Expedition Sport. At the heart of the Sylvan lineup, this tried and true serious fishing boat is popular for its exceptional value. And with the Sport model, the whole family can get in on the fun with roomy, comfortable seating, snap-in carpet and plenty of storage space. The 1800 also features an optional swim platform, a CD player and an optional ski tow.

#### TACKLE TRAY

Nothing compares to the convenience of this recessed three-tray tackle box in the bow.

#### LIVEWELL

In the stern, you'll find a huge 60", 39 gallon aerated livewell with remote control drain and removable bait bucket.

#### TROLLING MOTOR PANEL

This impressive bow panel includes a 12/24 volt trolling motor plug with battery volt gauge, main motor trim switch, bow livewell controls and courtesy light switches.

#### IN-FLOOR STORAGE

The dry, roomy in-floor storage gives you plenty of space for life vests, rain jackets and other gear.

For Viper standards & options, please see pages 28 & 30.

1500 Explorer SC

## Explorer 2006

This is a great place to start.

When you're ready for a full-featured fishing boat, there's no better value on the water than the Explorer. This series gives you the choice of single or dual console models with large platforms and plenty of elbow room. You'll also enjoy large livewells, roomy storage spaces, an impressive driver's console and vinyl floors with optional snap-in carpet on the 1600. And most importantly, you'll get the same high-quality construction as on our top-of-the-line models, including the treated floor with lifetime warranty, a five-year carpet warranty and, on the 1600, our exclusive gull wing hull design.

**Molded, padded and above all, pinch-proof.**

Select Sylvan fishing boat models feature our custom-molded consoles with deluxe gauges. Many boats also feature tilt steering, along with either hydraulic or anti-feedback steering. All of our consoles are ergonomically organized, with easy-to-read dials and easy-to-reach switches and circuit breakers. On dual console models, you'll find amenities such as a lockable glove box and molded cup holders.

Our advanced seat design features pinch-proof hinges, contoured bottoms and backs, and resilient foam padding. Our roto-molded, wood-free construction ensures that the seats won't warp or rot.

**MERCURY**  
#1 On The Water

### More choices. More fun.

Select models offer the added versatility of an optional swim platform and a ski tow. Combine that with our roomy cockpits, innovative seating configurations and spacious storage compartments, and you have a fishing boat that's ready for long relaxing days of family fun.

### Wear your fishing heart on your sleeve.

No angler's wardrobe is complete without exclusive shirts, jackets and hats featuring the Sylvan logo. For your convenience, you may order online by visiting our website at [www.sylvanmarine.com](http://www.sylvanmarine.com). It's all part of a lifestyle that celebrates hometown values, the beauty of nature, the strength of relationships and the excitement of the very best sport in the world — fishing.

### JBL® RADIO

Sylvan is proud to offer legendary JBL® audio components engineered for the marine environment. The speakers are UV and water resistant with rubber surrounds, while the receivers include such features as electronic tuning, scan/seek functions, station presets, rolled silicone rubber buttons and a water-resistant flip-down face.

# 06 Fishing
