SYLVAN
FISHING BOATS

The details of a better boat.

- N** XL PLYWOOD FLOORS with a lifetime warranty, you can count on the specially treated floor to hold its strength and never warp or rot
- O** INJECTED URETHANE FOAM eliminates water pockets and gives the boat more buoyancy and a quieter ride
- P** AIRS ADVANCED INTEGRATED RIB SYSTEM with hand formed hat-shaped ribs on 10" centers provides superior longitudinal strength and rigidity

5-KEEL CONSTRUCTION for the best stability and handling you'll find anywhere. The keels also offer greater protection from underwater objects, as well as from the wear and tear of launching and trailering your boat.

LIFETIME WARRANTY ON ALL RIVETED SEAMS

Sylvan warrants each new aluminum hull for a period of ten (10) years, lifetime warranty on all riveted seams. A copy of the Sylvan Limited Warranty is attached to each new Sylvan boat, or may be obtained from any dealer or the Sylvan factory.

FLOW RITE LIVEWELL SYSTEM

Our state-of-the-art design draws water in and circulates it in the bottom of the tank while a hole in the top allows air to mix with the water. A separate recirculating pump works in a continuous loop to keep aerated water moving at all times, and a transom drain system provides for easy tank cleaning.
