SYLVAN

## FEATURES & BENEFITS

- SMOOTHEST, DRIEST RIDE ON THE WATER** | Gull wing hull design keeps the bow down during acceleration while integrated spray rails displace spray away from the bow.
- HEAVY-DUTY LIGHTWEIGHT HULLS** | Up to .100 gauge one-piece bottoms with double riveted seams that are backed by a Limited Lifetime Warranty.
- OVERSIZED GUNWALES** | Provide a safe entry and exit and are reinforced for downrigger and accessories.
- WIDE BEAMS** | Work in conjunction with Hydra-lift reverse chine hull to reduce rocking for more pleasurable fishing.
- INTERIOR DEPTH** | Deep hull design provides a great sense of security when cruising or fishing.
- LARGE FISHING PLATFORMS** | Enjoy maximum fishing space on both the stern and bow, which is factory-wired with trolling motor plugs.
- AMPLE STORAGE** | With in-floor, in-deck and gunwale storage, there's plenty of safe dry space for gear.
- SUPERIOR SEATING** | Fish in comfort with wood-free, ergonomically designed bass seats. When cruising, relax in the deep, spacious and comfortable flip-up seating.
- CARPET & VINYL** | Premium grade carpet and vinyl look great and are backed by a 6-year warranty.
- INDUSTRY-LEADING PAINT** | Your boat will keep its great looks with a unique process that begins with an acid etched primer to create the ideal surface for our two-part, twice-baked polyurethane paint.

**NOW THIS IS SMART.** | What's this symbol? It's a Microsoft Tag that allows you to use your smartphone to get important information about Sylvan Marine. The tags are located throughout the brochure, giving you an interactive experience with links to running footage, product details, etc. Get a free Microsoft Tag Reader from your phone's app store, or get more information at <http://gettag.mobi>.

## CONSTRUCTION

- AIRS ADVANCED INTEGRATED RIB SYSTEM** | With hand-formed hat-shaped ribs on 10" centers, provides superior longitudinal strength and rigidity
- XL PLYWOOD FLOORS** | With a lifetime warranty – you can count on the specially treated floor to hold its strength and never warp or rot
- INJECTED URETHANE FOAM** | Eliminates water pockets and gives the boat more buoyancy and a quieter ride
- ONE-PIECE HULL** | Stronger and more durable than traditional two-piece hulls, our one-piece design, along with all double riveted seams, is backed by a Limited Lifetime warranty.

**5-KEEL CONSTRUCTION** | For the best stability and handling you'll find anywhere. The keels also offer greater protection from underwater objects, as well as from the wear and tear of launching and trailering your boat.

**FLOW RITE LIVEWELL SYSTEM** | Our state-of-the-art design draws water in and circulates it in the bottom of the tank while a hole in the top allows air to mix with the water. A separate recirculating pump works in a continuous loop to keep aerated water moving at all times, and a transom drain system provides for easy tank cleaning.

**AIRS**

**YAMAHA**

- PREMIUM WIND PROTECTION** | Enjoy the view with our Taylor Made curved, tempered glass windshield with powder coated. It has added height to block wind and a Badney Track System for quality and clean canvas installation.
- STYLISH & FUNCTIONAL CONSOLES** | Automotive-inspired consoles feature tilt steering, lighted rockers with breakers, premium audio system with J-port and fog-free gauge clusters set in stainless backdrops.
- PREMIUM APPOINTMENTS** | These little extras make a big difference: pop-up cleats, stainless steel grab rails, powder-coated seat bases and hinges, mood lighting and T-locks.
- SAFETY LADDER** | Climb aboard easily and safely with secure stern-mounted ladders.

## LIFETIME WARRANTY ON ALL RIVETED SEAMS

Sylvan warrants each new aluminum hull for a period of ten (10) years, lifetime warranty on all riveted seams. A copy of the Sylvan Limited Warranty is attached to each new Sylvan boat, or may be obtained from any dealer or the Sylvan factory.

## INDUSTRY-LEADING WARRANTIES

HULL | 10 YEARS    CARPET | 6 YEARS    VINYL | 6 YEARS
