A TRUSTED BOAT BUILDER SINCE 1948.

Sylvan Marine traces its history back to the late 1940s, when it was founded near Sylvan Lake in Wolcottville, Indiana. Since 1970, the Sylvan brand has been part of Starcraft Marine and the Smoker Craft Family of Products and continues to be known for high-quality, innovative pontoons. You can count on Sylvan for the best pontoon values for every budget – backed by the very best service and warranties. After all, it's our family's tradition.

THE EXHILARATION OF ACCELERATION.

THE REVOLUTION IS HERE.

With Revolutionary Planing Technology (RPT) Sylvan changes everything about pontoon performance. Our exclusive tube design slices through the water with sports car handling and runabout exhilaration. The unique V-shaped tube provides increased top speed per horsepower and dramatically improved fuel efficiency. RPT is a revolution in pontoon performance. And it's only from Sylvan.

Cross Channel Construction | Provides superior chassis strength. The transom area is supported with up to 3/16" hat-channel construction using twice the amount of fixtures as other pontoons. This provides the strength needed to handle the high torque of today's large engines.

BUILT FOR PERFORMANCE.

At Sylvan, decades of boat-building experience have taught us one thing for sure — if you want to see true quality, simply take a closer look. Compare our hat-channel construction and cross channels with the foundations of other pontoons. Count the fasteners. Note the gauge of aluminum. In short, look at the details and you'll see everything you need to know. Which brings us to the other thing that sets us apart from the crowd. It takes a relentless commitment to quality to make one great pontoon.

Hat-Channel Construction | It all begins with .250 and .125 gauge aluminum hat channels that are 6" wide and secured with 8 bolts spanning across our 6" wide deck risers. This creates the widest base in the industry and gives our pontoons greater stability without adding unnecessary weight. Combine that with a .190 gauge aluminum transom that's through-bolted with up to 20 bolts and footed deck risers that prevent tube fatigue, and you see why Sylvan backs its industry-leading construction with a Limited Lifetime Warranty on every product.

Fence & Railing | Features foam backing to prevent rattling and fully welded and anodized railing to add strength. Anodized welds are never painted. It's all backed by a 6-year warranty.

The Shape of Strength | Other manufacturers use C-channel and Z-channel designs which can require more cross members and provide less strength than Sylvan's hat-channel construction. And with imbalanced weight distribution, C- and Z-channel cross members are less able to withstand the forces exerted on the pontoon year after year.

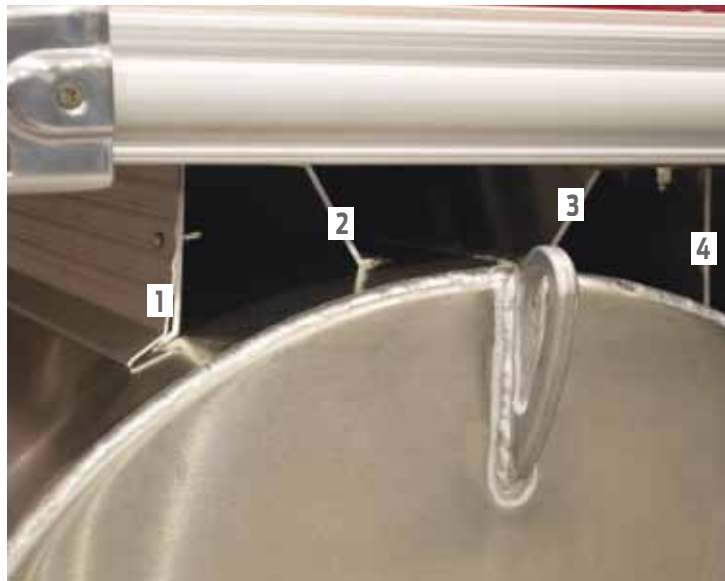

Constructed for Endurance | 3/4", 7-ply pressure treated plywood through-bolted and screwed to the hat channels to create the strongest seams in the industry.

Quick Release Bimini Top | Made of sturdy Vista canvas spanning 10 feet, our top also features 1 1/4" tubing with stainless fixtures for strength, quick release and drop-down tow mode for convenience, and solution-dyed polyester that's ultra wear resistant and color-fast to ensure color that lasts without bleeding.

Thru-Bolted Transom | Made of up to .190 gauge aluminum and supported with up to 20 stainless bolts to handle today's higher horsepower engines.

4-PT Deck to Hull Fusion | Sylvan deck brackets have 4-points of fusion for an extended area of contact with the tube. In addition to providing increased strength and support, this reduces frame twist and racking in rough water and guards against tube fatigue.

A. Spacers | Between the fence bottom and the deck allow water to drain easily and cut drying time in half.

B. Superior Upholstery | Covered by a 6-year warranty. We use only the finest quality, UV stabilized, marine-grade 42 ml vinyl, automotive grade pigments and a Stain Resistant Topcoat. Herringbone backing provides "no-sag" recovery while biocide-treated foam and stainless fixtures add durability. To help it all last, our bases are designed with a moat system that directs water away from the seat and off the boat.

C. Protected Stern Boarding Area | Available in synthetic teak on the Mandalay series or durable vinyl on the Signature and Mirage series. Either way, it provides a great place to dry off after swimming or tubing.

D. Premium Appointments | Include custom corner castings, padded interiors, LED lighting, pop-up cleats, mahogany accents, stainless hardware and extended swim platform.

E. EZ Gate Lift | Incorporates safety and convenience with style. The ingenious heavy-duty piano hinge lifts up and out to create a safe environment that still only requires one hand for easy loading and unloading.

F. Tubes | Both RPT and traditional tubes, are made with one-piece .080 gauge aluminum with full-length keels and sturdy deck risers. Backed by a Limited Lifetime Warranty.

G. Multiple Floor Plans | Great configurations for cruising and fishing.

DOUBLE BIMINI

Enclosure & Bimini Options | Extend your season by getting away from the elements with an enclosure. They feature our Easy Match Tab System for quick assembly, sturdy round aluminum tubing and stainless features for strength, quick release for ease of use, and solution-dyed polyester Vista canvas for lasting color without bleeding.

Vinyl Teak Boarding Area | Stylish and durable, taking the swim platform to a new level.

Playpen Cover | Add protection with a color-coordinated canvas cover that easily snaps to the railing.

Ski Tow | Jump into water sports with a ski tow that's bolted through the deck for maximum strength.

Cooler Table | Combine expanded cooler storage with the convenience of a table top.

Reclining Helm Chair | For the ultimate in comfort, choose the reclining helm chair with slider, armrests and a headrest. Standard on Mandalay and Signature, optional on Mirage Cruise & Mirage Fish.

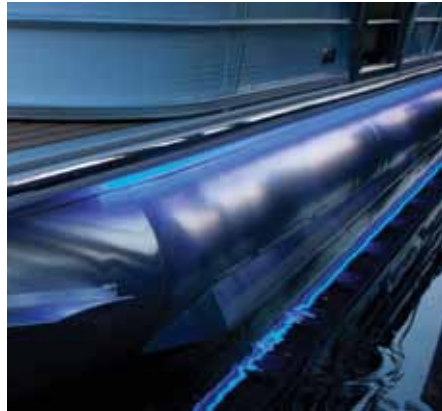

Galley | Full fiberglass with spacious countertops, pull-out cutting boards and LED lighting. An optional fridge adds a cool touch.

Performance Strakes | Get faster planing, better cornering and a smoother ride (not available with RPT Tubes).

Depth Gauge | Cruise and fish with greater confidence in the shallows and around your favorite swimming spots.

Babbito Underdeck Lighting | Make night cruises more special than ever with cool blue LED underdeck lighting.

SeaStar Hydraulic | SeaStar hydraulic steering offers easy turning.

Extended Swim Platform | Through-bolted and braced to the deck, this sturdy extended swim platform is perfect for water sports.

30" Gate Seat | Add to your comfort and seating arrangement with this convenient seat that can be placed in front of the bow gate.

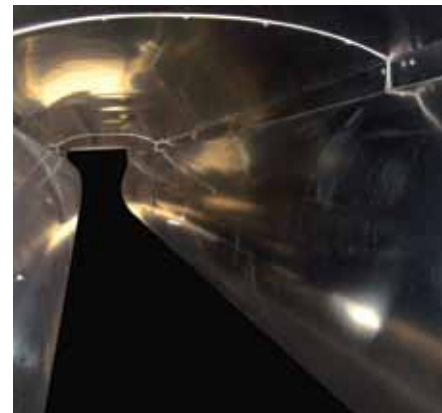

Synthetic Teak Flooring | Available in stern boarding area for a unique look with great wear.

RPT Tubes | Better fuel efficiency and quicker planing for better performance with lower h.p. and a smoother, drier ride.

Refrigerator | This space-saving refrigerator is the ultimate in stylish convenience.

Underdeck Liner | Made with tough .060 Marine grade aluminum, this optional liner improves water flow and fuel economy.

Center Tube Storage | Available with the third tube option, this practical storage area is large enough for skis, ropes and life jackets.
