Pure speed is what the Sylvan V-bottom fiberglass boats thrive on. Yes, there are creature comforts like sleeper seats, bow cushions, in-floor storage, full instrumentation and more. But if you buy a Sylvan fiberglass boat, you should take precautions for wind burn.

And, if you like your fishing done in a hurry, check out the VFC 175 and Pro-Missile. Two more reasons to buy Sylvan.

# LIMITED EDITION

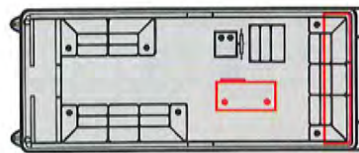

24' Limited Edition

One thing you'll notice right away about the Limited Edition is the sensational looking Textra Furniture Package. The open-weave seating has more than just good looks going for it. Air circulates more freely through this design, allowing the seats to stay cool. The open weave allows water to drain and evaporate faster, making this a more comfortable seat even when it gets

wet. Great looks and better performance, these are the best reasons to buy a Sylvan.
