SOMETHING NEW
UNDER THE SUN

SYLVAN PONTOON BOATS '72

- 1 Upholstered captain's stand, chrome and teak wheel, plus upholstered seat are part of optional new Lounge-Around seating package.
- 2 New High-Entry nose cone reduces water drag; adds speed. Full length skid bars prevent beaching damage to pontoons.
- 3 Twin aluminum storage trays for gas tanks and battery; adjustable aluminum motor mount with lift lever are standard.
- 4 Sylvan decks are heavy marine plywood covered with slip proof vinyl. Railings are anodized aluminum. Running lights are standard. Model 824 shown.
- 5 Unique extruded aluminum deck railing locks in fencing. Fencing never rusts or warps.
- 6 Canopy frame has double posts. Sets up and folds quickly. Storage ledge under canopy for boating and sports gear.

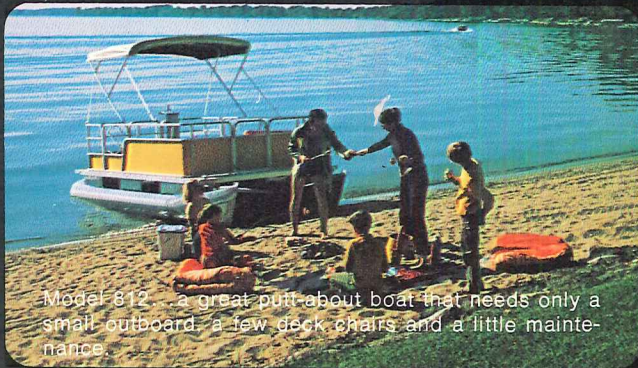

SYLVAN VERSATILITY

For 1972 Sylvan introduces many new features... modular furniture, high entry nose cone, candy striped canopies with double post frame, anodized aluminum rail and much more. Not new is Sylvan's famed quality. Same high standards of construction that keep Sylvan boats on the water

MATCHES YOUR MOOD OF THE MOMENT

for years... years for your family to enjoy boating the versatile Sylvan way. Picnics on board or on the beach, fishing, skin diving, an hour or two to loaf, go swimming or skiing... you can do it all with a Sylvan. Ask your Sylvan dealer about a demonstration ride. See for yourself how a '72 Sylvan can fill your needs for the complete family boat.

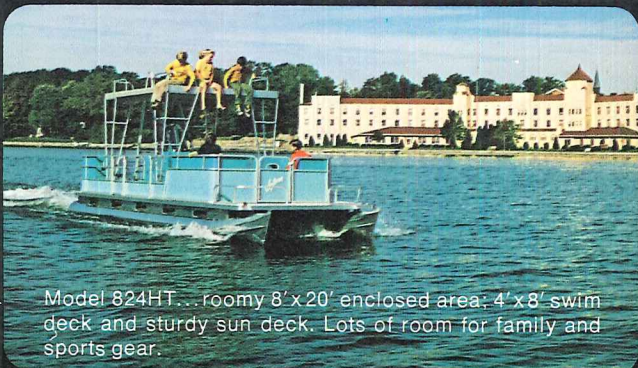

Sylvan Model 824 on the cover

Model 812... a great putt-about boat that needs only a small outboard, a few deck chairs and a little maintenance.

Model 816... a bit bigger, nice handling, real sharp in Avocado, especially with Lounge-Around seating.

Model 824HT... roomy 8' x 20' enclosed area; 4' x 8' swim deck and sturdy sun deck. Lots of room for family and sports gear.

THE SYLVAN FLEET FOR 1972

Clockwise from the front — Models 816, 812, 824, 824HT and 820. Standard features on all boats include: full 19" dia. pontoon in steel or aluminum; slip-proof vinyl over marine plywood deck; fencing is aluminum with pre-baked enamel finish; anodized aluminum railing; double posted canopy frame; vinyl coated canvas canopy; aluminum rub rail to protect deck and running lights; adjustable motor mount; "Lounge-Around" modular furniture, with matching captain's stand is optional. Sylvan Pontoon Boats from 16' to 28' long.

Sylvan Accessories

LOUNGE-AROUND SEATING

Restyled for '72! Modular concept... choose from any of ten upholstered pieces. Available in yellow, red, orange, blue and avocado.

CAPTAIN'S CHAIR

Swivel bucket seat. Vinyl upholstery in colors to match furniture.

HELMSMAN'S CHAIR

Molded of white fiberglass. Bucket seat swivel type. Attaches to deck.

ANCHOR ASSEMBLY

Unique anchor design holds boat where you want it. Easy action winch.

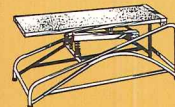

SINGLE LEVER CONTROL

One lever for throttle, forward and reverse. Makes boat handling a breeze.

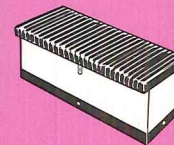

BOARDING LADDER

Solid redwood or aluminum treads. Aluminum frame. Treads are grooved for no-slip climbing.

PORTABLE DIVING BOARD

Doesn't fasten to deck, yet will not creep or tip. Great springing gives big board thrills.

STORAGE CHEST

Padded 48" x 15" chest in colors to match Lounge-Around seating. Vinyl upholstered. Great for storing gear. Has latch for security.

FIXED TRANSOM

Heavy anodized aluminum. Marine plywood motor mount. Recommended for motors over 35 h.p.

CANVAS MOORING COVER

Pre-shrunk, army-type canvas with tie-downs. Mildew resistant. For summer coverage of furniture; entire boat for winter storage.
