18' Sportster

The 18' Sportster is a great answer to the American family's boating needs. An economical, virtually maintenance-free boat that will handle most any water sport without guzzling gas. Comfort and style are standard too. There are plush soft-cushioned seats and durable marine carpet plus Sylvan's popular in-floor storage. Because the Sportster is made of light-weight aluminum, a much smaller engine is needed to equal the performance of most other fiberglass boats of the same size.

Specifications: 18' Sportster O.B. I/O

Center length 18' 5½" • Beam 84"
• Transom width 75" • Max.
H.P. 140 • Approx. wt. 1020-O.B.,

18' Sportster I/O

16' Sportster

Presenting a contemporary boat that's based on old-fashioned value—the 1981 16' Sportster. But don't let its down-to-earth price fool you. The Sportster is packed to the gunwales with standard features. It starts out with a basic that's tough to beat—Sylvan quality. And that includes an economical lightweight aluminum hull. Durable, but beautiful seating. Walk-thru windshield and in-floor storage to name a few. It only takes a 60 to 70 H.P. motor to do all the skiing, fishing or cruising you could ever want. 1981 Sportster. A lot of boat for the money.

Specifications: 16' Sportster

Center length 16' 2" • Beam 76"

16' Sports-master

The Sports-master from Sylvan is the perfect boat for the active family. This lightweight aluminum boat is a fishing boat and a skiing boat all in one. Equipped with a live well, a front casting platform and removable seat pedestals, it's ideal for the anglers of the family. Non-fishing members of the family can enjoy the sleeper seats and all the advantages of a skiing boat. Plenty of room for either group. The Sports-master—the best of two boats all in one with all the quality you expect from Sylvan.

Specifications: 16' Sports-master
