passion.
You’re there — in the starting blocks of a perfect day.

Simply choose your pleasure. Whether it’s slipping through the quiet to your favorite fishing spot, high-spirited cruising or simply stylish, laid-back gatherings.

There’s a Sylvan to make it all possible.

Our Gull Wing hull features a rolled-V design that gets you on plane faster and provides a dryer, steadier ride with less bounce and better support while turning.

Our lighted, aerated livewells come with timers, recirculating pumps and convenient control switches for easy operation. Foam-backed lids provide superior insulation.

Our exclusive Advanced Integrated Rib System features a rock-solid structure of hand-fitted, hat-shaped ribs for tremendous longitudinal strength and rigidity.
