CONSTRUCTION

A. GULL WING HULL WITH INTEGRATED SPRAY RAIL keeps the bow down during acceleration and provides a smooth, dry ride.

B. 125 GAUGE ONE-PIECE BOTTOM AND DOUBLE RIVETED SEAMS for rugged reliability.

C. FULL GUNWALE reinforced for downriggers and accessories.

D. PULL-UP CLEATS for a safer, unobstructed surface.

E. INTERIOR DEPTH provides added stability.

F. LARGE PLATFORMS offer a better fishing experience.

G. IN-FLOOR STORAGE stores gear safely out of the way.

H. FLIP-UP SEATING converts easily from fishing to family fun.

I. CARPET: our premium grade, 100% UV stabilized marine carpet will last for years to come and is backed by a 5-year warranty.

J. CLEAN CURVE® WINDSHIELD by Taylor Made Systems®

K. PREMIUM COMPONENTS include lighted rockers with breaker, power point and port for iPod and MP3 player.

L. FULL FACTORY INSTALLED ELECTRONICS, including depth finders and trolling motors.

M. BREAKERS, instead of fuses, for easier servicing.

XL PLYWOOD FLOORS with a lifetime warranty, you can count on the specially treated floor to hold its strength and never warp or rot.

INJECTED URETHANE FOAM eliminates water pockets and gives the boat more buoyancy and a quieter ride.

AIRS ADVANCED INTEGRATED RIB SYSTEM with hand formed hat-shaped ribs on 10” centers provides superior longitudinal strength and rigidity.

5-KEEL CONSTRUCTION for the best stability and handling you’ll find anywhere. The keels also offer greater protection from underwater objects, as well as from the wear and tear of launching and trailering your boat.

LIFETIME WARRANTY ON ALL RIVETED SEAMS
Sylvan warrants each new aluminum hull for a period of ten (10) years, lifetime warranty on all riveted seams. A copy of the Sylvan Limited Warranty is attached to each new Sylvan boat, or may be obtained from any dealer or the Sylvan factory.

FLOW RITE LIVEWELL SYSTEM
Our state-of-the-art design draws water in and circulates it in the bottom of the tank while a hole in the top allows air to mix with the water. A separate recirculating pump works in a continuous loop to keep aerated water moving at all times, and a transom drain system provides for easy tank cleaning.

3-keel Construction for the best stability and handling you’ll find anywhere. The keels also offer greater protection from underwater objects, as well as from the wear and tear of launching and trailering your boat.
