PARTY ON PLANE.

With RPT, Revolutionary Planing Technology, Sylvan launched a new generation of pontoon performance and watersport excitement. The revolution continues this year with more tube configurations that let you pump up the horsepower and dig and pivot with sport boat handling. Sylvan also leads the way with the latest real-world technologies, including Murphy Touch Screen System, the Biggie Vision Camera System, contemporary LED lighting and Bluetooth® connectivity. And this year, Sylvan continues to lead the way in giving you more choices of innovative floorplans and outstanding features packages. It’s pontoon comfort that’s built for speed — exclusively from Sylvan.

A TRUSTED BOAT BUILDER SINCE 1948.
Sylvan Marine traces its history back to the late 1940s, when it was founded near Sylvan Lake in Wolcottville, Indiana. Since 1970, the Sylvan brand has been part of Smoker Craft Inc. and continues to be known for high-quality, innovative pontoons. You can count on Sylvan for the best pontoon values for every budget — backed by the very best service and warranties. After all, it’s our family’s tradition.
BACKED BY PEACE OF MIND.

- Limited lifetime warranty on deck, tubes, transom and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- Transferable to second owner
In pontoon construction, it's the things you don't see that add up to better performance today and durability that lasts for years. In every aspect of a Sylvan, you'll find better materials, stronger designs, more fasteners, and more points of reliable fusion. All to give you the ultimate peace of mind.

**Game-changing Sylvan performance rides on RPT Revolutionary Planing Technology tubes.** The “V” shape allows the pontoon to lift and plane across the water with sportboat-style speed and handling. In fact, you get increased top speed per horsepower and dramatically improved fuel efficiency — which is perfect for great days of tow sports and cruising.

**Ours** Lifts and planes across the water

**Theirs** Pushes through water resistance

---

**OUR STRONG FOUNDATION**

In pontoon construction, it's the things you don't see that add up to better performance today and durability that lasts for years. In every aspect of a Sylvan, you'll find better materials, stronger designs, more fasteners, and more points of reliable fusion. All to give you the ultimate peace of mind.

**A CONSTRUCTED FOR ENDURANCE**

¾”, 7-ply pressure treated plywood through-bolted and screwed to the hat channels to create the strongest seams in the industry.

**B HAT-CHANNEL CONSTRUCTION**

It all begins with .250 (heavy) and .125 (standard) gauge aluminum hat channels that are 6” wide and secured with 8 bolts spanning across our 6” wide deck risers. This creates the widest base in the industry and gives our pontoons greater stability without adding unnecessary weight. Combine that with a .190 gauge aluminum transom that’s through-bolted with up to 20 bolts and footed deck risers that prevent tube fatigue, and you see why Sylvan backs its industry-leading construction with a Limited Lifetime Warranty on every product.

**C FENCE AND RAILING**

Features foam backing to prevent rattling and fully welded and anodized railing to add strength. Anodized welds are never painted. It’s all backed by a 6-year warranty.

**D THRU-BOLTED TRANSOM**

Made of up to .190 gauge aluminum and supported with up to 20 stainless bolts to handle today’s higher horsepower engines.

**E 4PT DECK TO HULL FUSION**

Sylvan deck brackets have 4 points of fusion for an extended area of contact with the tube. In addition to providing increased strength and support, this reduces frame twist and racking in rough water and guards against tube fatigue.
SEATING OPTIONS

Because you’re the best judge of what seating options best fit your lifestyle, we give you more ways to experience plush, luxurious comfort. From bar stools to sundecks, you choose the perfect combination.

FURNITURE CONSTRUCTION

In addition to our UV stabilized, marine-grade vinyl upholstery, Sylvan pontoon furniture features durable rotocast base construction and stainless steel fixtures. The one-piece enclosed designs provide for dry underseat storage with a moat system that directs water away from the furniture.

- Impeccable stitching
- Durable changing rooms
- Integrated cup holders
- High-density foam
- Soft-touch vinyls
- Rotocast plastic seat bases
- Double-hinged seats

UPHOLSTERY

Our seating uses only the finest quality marine-grade vinyl with the added durability of biocide-treated foam, automotive-grade pigments and a stain resistant topcoat. Luxurious comfort and unmatched durability — it’s the best of both worlds.
At Sylvan, we are committed to driving pontoon innovation by incorporating the latest real-world technologies. It starts with superior designs and state-of-the-art manufacturing processes. And it extends to helm technologies, entertainment features, contemporary lighting and much more. In short, a Sylvan pontoon provides the ultimate user experience.

**MURPHY TOUCH SCREEN SYSTEM**

Select Sylvan models are available with state-of-the-art navigation, critical engine information and advanced entertainment controls at your fingertips. Highlights of the Murphy Touch Screen control system include:

- Displays for all gauges and engine functions and air/water temperatures
- GPS with chart plotter and compass heading
- Stereo remote with Bluetooth® and three video inputs
- Controls for all exterior/interior accent lights
- If applicable, controls for freshwater pump, bilge pump, refrigerator and power bimini top
Sylvan’s advanced LED lighting both enhances your pontoon experience and offers additional safety. Choose from a wide selection of standard and optional lighting, from Babbito underdeck and underwater lighting, to interior courtesy and mood lights, to lighted cup holders and more.

Our exclusive 3-camera system enhances safety by providing a view of activity behind the boat during swimming and watersports and eliminating blind spots while docking.

At Sylvan, we are proud to offer the marine industry’s top engine brands—each with a long heritage of innovation and technology. From computer-controlled fuel injection and superchargers to incorporating materials developed by NASA, our engine partners feature the latest in power propulsion and performance.
THE SYLVAN EXPERIENCE

CHOOSE YOUR ADVENTURE

The way we see it, giving you more freedom of choice means giving you more freedom out on the water. That’s why virtually every aspect of a Sylvan pontoon can be chosen to create a boat just for you. From our wide range of floorplans and durable flooring options, to our extensive features packages, the adventure begins when you design a dream pontoon that’s tailor made for your lifestyle. When it comes to customization, we’ve got you covered.

FLOORPLANS

With dozens of exciting floorplans, there’s a Sylvan that fits the size of your party and the way you spend time on the water.

COLORS

From panel colors and graphics to interior accents, Sylvan gives you the freedom to customize a color scheme that reflects your style and personality. Want to go for the bold? We’ve got it. Prefer refined elegance? It’s all up to you.

FLOORING

Whether you’re looking for luxurious carpet or easy-to-clean vinyl, Sylvan gives you the ultimate selection of colors and styles to complement your boat’s interior and provide years of durability.

The Mandalay and S-Series centered case Series give you the choice of standard or painted tubes, which combine zinc chromate primer and urethane paint to chemically etch into the aluminum, forming a corrosion-resistant surface.

See page 29 for all of your flooring options.
PERFORMANCE PACKAGES

To help deliver best-in-class performance at every level, we've assembled some very impressive packages that meet the needs of all types of water and boating styles. Whichever you choose, keep your pontoon’s showroom looks with the painted tube option. A combination of zinc chromate primer and urethane paint chemically etches into the aluminum to form a corrosion-resistant surface.

Not for the fainthearted, the 2017 Mandalay is meticulously engineered to deliver an exhilarating custom pontoon experience. Performance enthusiasts will instantly connect with the leading edge RPT tube configurations, hydraulic steering and next-generation Murphy Touch Screen that puts every command within arm’s reach. The ergonomic sculpted console, executive helm station and pillow-top upholstered loungers go the distance with first-class comfort.

Accommodate the crew with an extended swim platform and optional synthetic teak flooring specially designed for water sports. A sleek arch tower option and stylish 10’ bimini provide enhanced shade for all-day comfort.

2017 SYLVAN PONTOON BOATS  www.sylvanmarine.com
For the serious angler, the Mirage Fish fleet – featuring the LE and LES models – offers amenity-rich upgrade packages that combine must-have fishing enhancements with premium pontoon features. Easy-access rod holders, a spacious livewell and extended helm come standard. Luxuries like a king-sized helm chair and Bluetooth® stereo are built in. Step up to a deluxe fish center, dual stern gate, extended deck and raised helm platform for a more robust fishing experience.

Packed with amenities, the Mirage Fish series combines the excitement of a sporty cruiser and the convenience of a well-appointed fishing boat in one beautifully equipped pontoon. Step up to a pro-level fishing experience with a deluxe fish center and easy-access dual stern gate layout. Attractive flooring and panel color options let you design a custom look, while the extended deck option allows for additional seating and additional crew. Weather and spray won’t dampen the fun with the contoured fiberglass helm ready to keep the captain dry and happy.

At Sylvan, we know that you have your own style on the water — your favorite activities and your favorite people to share it with. That’s why we offer not only great standard features and packages, we give you the ability to outfit your pontoon with outstanding optional comforts and amenities. It’s all designed to put you at the helm of a better pontoon experience.

**MORE WAYS TO CREATE THE PERFECT EXPERIENCE.**

**MURPHY TOUCH SCREEN**
Select Sylvan pontoon models are available with a Murphy Touch Screen control system, putting a wide range of features at your fingertips.

**HUMMINBIRD® GPS/FISH FINDER**
Add an optional Humminbird GPS/ fish finder to the console to give you the advantage of a state-of-the-art sonar unit.

**RPT TUBES**
Better fuel efficiency and quicker planing for better performance with lower HP and a smoother, drier ride.

**PERFORMANCE SHIELD**
Made with tough .060 Marine grade aluminum, this optional liner improves water flow and fuel economy.

**PERFORMANCE STRAKES**
Get faster planing, better cornering and a smoother ride (not available with RPT Tubes).

**STEERING**
Ask your dealer how you can optimize your boat’s steering with premium steering options.

**ENCLOSURE AND BIMINI OPTIONS**
Extend your season by getting away from the elements with an enclosure. They feature our Easy Match Tab System for quick assembly, sturdy round aluminum tubing and stainless features for strength, quick release for ease of use, and solution-dyed polyester Vista canvas for lasting color without bleeding.

**PLAYPEN COVER**
Add protection with a color-coordinated canvas cover that easily snaps to the railing.
INFINITY STEREO WITH BLUETOOTH®
Infinity’s PRV250 marine digital media receiver gives you plenty of ways to enjoy music on your boat, plus the inputs you’ll need to expand your system later.

POLK STEREO
Offers a variety of popular options including Bluetooth®, SiriusXM Ready™, iPod/iPhone® capabilities.

REAR-FACING SPEAKERS WITH REMOTE TOUCH PAD (LZ MODELS ONLY)
Optional speakers mounted on the rear of the pontoon pump your tunes toward those enjoying the water.

VINYL FLOOR WITH SNAP-IN CARPET
The vinyl flooring stands up to wear and cleans easily after fishing. Simply snap the carpet back in place for cruising.

EXTRA TABLE KIT
Made to match the standard table, this stowable table kit with legs and base adds more room for dining, food prep and more.

30° GATE CHAIR
Add to your comfort and seating arrangement with this convenient chair that can be placed in front of the bow gate.

REFRIGERATOR
This space-saving refrigerator is the ultimate in stylish convenience.

CENTER TUBE STORAGE
Available with the third tube option, this practical storage area is large enough for skis, ropes and life jackets.

COOLER TABLE
Combine expanded cooler storage with the convenience of a table top.

RECLINING HIGH-BACK HELM CHAIR
For the ultimate in comfort, choose the reclining helm chair with slider, armrests and a headrest. Standard on Mandalay and S-Series, optional on Mirage Cruise and Mirage Fish.

GALLEY
Full fiberglass with spacious countertops, pull-out cutting boards and LED lighting. An optional fridge adds a cool touch.

SPORT ARCH
This acrylic shade features a retractable Bimini top to provide protection from the sun. Optional on Mandalay Sportlounger models and S-Series models.

FOUR-STEP TELESCOPING LADDER
Enjoy the convenience of this telescoping four-step, stainless steel ladder.

SKI PYLON
Jump into water sports with a removable ski pylon that’s bolted through the deck for maximum strength.

SKI TOW BAR
This incredibly rugged and very stylish tow bar gets the rope above the motor and wake and will pull you anywhere you want to go.

UNDERDECK SKI TOW
Our range of optional watersport accessories includes this space-saving underdeck mounted ski tow.

EXTENDED SWIM PLATFORM
Through-bolted and braced to the deck, this sturdy extended swim platform is perfect for water sports.

BABBITO UNDERDECK LIGHTING
Make night cruises more special than ever with cool blue LED underdeck lighting.
